

Kids Helping Kids
“Wear a Hat for Fremont Day!”

Thank you for helping our kids in Fremont and surrounding areas. As a result of catastrophic flooding, we are in need of money to buy clothing, shoes and school supplies for our kids.

HOW CAN YOU HELP? – Schedule, promote and celebrate a day that your students and teachers can pay \$1.00 and wear a hat to school. Every school that participates will receive a hand written thank you letter from me along with an explanation of exactly how your donation will be utilized. **100%** of the money collected will go to our kids. The school with the biggest donation will receive an all-expenses paid full-day author visit and parent night.

Please print off the following page and send it in with your donation. Make all checks payable to **“Kids Helping Kids”** and send them to me at the address below:
